Spring Raffle 2020

"It is a great grace that God has given you in calling you to serve the poor."

St. Jeanne Jugan

To our friends and family,

Can you believe a new year is upon us already? We are blessed and thankful to have so many people to help us continue our mission to care for the elderly of Cincinnati.

With a new year brings new projects for our aging home. We offer raffles to cover costs exceeding our yearly expected expenses. The year 2020 will bring many challenges to us as we have major projects to address. This year's Spring Raffle will benefit our Boiler Replacement Project, a project that will cost upwards to a million dollars!

Current Boilers

Possible New Boilers

Our current boilers make sure the building is warm for our Residents in the winter, heats all the water in the building throughout the year, and "produces" steam for some of our major work areas like the kitchen and laundry. Right now being over 45 years old they are running at about 50% efficiency and repair parts have become obsolete. We are hoping to replace the three working large boilers with many smaller more efficient boilers to work at 90% or more efficiency for our seven story building.

We will need your help on this project and hope you might be able to win a little cash back! **The drawing for this raffle will be on May 29th.** You can request more tickets than the six here, let us know you want more written out for you, or you can print more tickets online through our website www.littlesistersofthepoorcincinnati.org.

With gratitude and blessings,

Sr. Marie Edward, lsp
Mother Superior
