Dear Families and Friends of St. Paul's Home,

To say we are treading into unfamiliar territory would be an understatement. So many ask, "What is God trying to tell us?!" Of course we know the answer is to pray and to reach out to our neighbors while performing works of charity. As our Lord has said, "Come back to me!"

We are so grateful for the calls we have received inquiring if we are in need of anything. This outpouring of support during this time reaffirms your generosity and faithful commitment to help God's elderly poor.

To know you are part of our life here is so consoling. You are letting us know we are not alone during these challenging times. No doubt this one Lent we will not forget but the best part is that after our Good Friday will come our Easter Sunday.

Let us continue to pray for one another as we enter into spring time of our lives. Let us be united as we recite this prayer of Pope Frances:

*Under thy protection we seek refuge,
O Holy Mother of God.
In our needs, despise not our petitions,
But deliver us always from all dangers,
O glorious and blessed Virgin. Amen.*

Gratefully,

Mother Marie Edward
