June 12, 2020

Hello Family and Friends,

We are happy to report that again we remain COVID-free this week. No staff or Residents have tested positive for COVID-19. We continue to screen all of our staff when they enter the Home with a series of questions and a temperature check. Also, we continue to take Residents' temperatures and monitor for any signs and symptoms of the Coronavirus.

Summer and nice weather is now upon us. This week we have spent some time updating and educating our staff on how to stay safe during travel and socially distant gatherings. The Home has created a screening tool for staff to access when thinking about or planning a vacation. We must all be mindful when taking time off from work as we continue to fight this virus.

We are thankful to the Cincinnati Health Collaborative for the generous donation of additional Personal Protective Equipment for our Home. As we continue to request PPE from them, they have been very generous and helpful in providing us with PPE throughout this pandemic.

We would like to again encourage you, your families and friends to visit our Facebook page "Friends of Little Sisters of the Poor Cincinnati." We continue to post pictures and information to keep friends and families up to date during this difficult time. You can also visit our website at www.littlesistersofthepoorcincinnati.org for updates about our Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our residents safe. Thank you for your patience and support during this time.

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
