May 29, 2020

Good Afternoon,

We are happy to report that we remain COVID-Free again this week. No staff or Residents have tested positive for COVID-19. We will continue to screen all of our staff when they enter the Home with a series of questions and a temperature check. We also continue to take residents' temperatures and monitor for any signs and symptoms of the Coronavirus.

As many of you may know, Governor DeWine has modified the guidance for COVID-19 testing throughout the state. It is our understanding that they will begin testing Nursing Home staff in Homes that have had COVID present in the Home. Although thankfully we have not had an outbreak, we have been contacted by our local health department as they gather information for testing purposes. We will let you all know when the testing takes place here for all employees. At this time we are not anticipating testing all residents, unless they are currently exhibiting symptoms. We will continue to follow the guidelines and recommendations for mass testing of the residents here at Little Sisters.

Governor DeWine has made some changes to the visitor restrictions for Assisted Living, but unfortunately not for Nursing Homes. We are still under the "no visitors" restriction, but with the change for Assisted Living Homes, we look forward to Nursing Homes restrictions changing in the future as well. We will let you know as soon as these restrictions have been adjusted so that you may visit.

We wanted to let you know that some of our physicians have started utilizing telemedicine. It is a nice way for the physician to see and talk to the residents without entering the Home, and thus helping to decrease the potential for spread of the virus.

We would like to again encourage you, your families and friends to visit our Facebook page "Friends of Little Sisters of the Poor Cincinnati." We continue to post pictures and information to keep friends and families up to date during this difficult time. You can also visit our website at [www.littlesistersofthepoorcincinnati.org](http://www.littlesistersofthepoorcincinnati.org) for updates about our Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our residents safe from the virus. Thanks for your support during this time.

Sincerely,

Sr. Marie Edward, lsp, Mother Superior

Jenny Nijak, Administrator
