Good Afternoon,

We are very thankful and happy to report that again we remain COVID-Free this week. No staff or Residents have tested positive for COVID-19. We continue to screen all of our staff when they enter the Home with a series of questions and a temperature check. Also, we continue to take Residents' temperatures and monitor for any signs and symptoms of the Coronavirus.

Thank you to all the families, friends and volunteers who came out for our "drive by" parades this week. It was an emotional week but we had a lot of support and encouragement from our family members. You can view many of the pictures from the week on our Facebook page.

Throughout this process we realized that not all family members were informed about the events happening this week. If there are family members that you would like to receive this weekly update please forward us their email address. When we started these weekly updates we had limited email addresses, so please feel free to share this with friends and family.

We would like to again encourage you, your families and friends to visit our Facebook page "Friends of Little Sisters of the Poor Cincinnati." We continue to post pictures and information to keep friends and families up to date during this difficult time. You can also visit our website at www.littlesistersofthepoorcincinnati.org for updates about our Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our residents safe. Thank you for your patience and support during this time.

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
