Good Afternoon,

We are very thankful and happy to report that again we remain COVID-Free this week. No staff or Residents have tested positive for COVID-19. We continue to screen all of our staff when they enter the Home with a series of questions and a temperature check. Also, we continue to take residents' temperatures and monitor for any signs and symptoms of the Coronavirus.

Due to the circumstances surrounding the coronavirus we decided as a Home not to hold any in-person fundraising events for the rest of this year. We believe this is the best decision so we do not have a lot of extra traffic in the Home to help us keep the building virus free! Instead we are offering a virtual "Monthly Mystery Raffle Basket Event." Please check our website for full details and share with your friends and other family members!

Also, for those who may not know, we have been utilizing our "Fuel Up, Stock Up" cart to take to Resident rooms with snacks and small basic necessities since our gift shop and store have been closed. We have been blessed to have the cart stocked by volunteers and family members. The cart is pushed around once a week and when we restocked the cart this week our current stock of items was almost completely depleted. We need help to stock this cart! You can read a great blog post about the cart on our website as well to get an idea of some of the favorites from our Residents. This has been a crowd favorite during this time.

We would like to again encourage you, your families and friends to visit our Facebook page "Friends of Little Sisters of the Poor Cincinnati." We continue to post pictures and information to keep friends and families up to date during this difficult time. You can also visit our website at www.littlesistersofthepoorcincinnati.org for updates about our Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our residents safe. Thank you for your patience and support during this time. Please share this information with any friends or families that may be interested.

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
