Good Afternoon,

We are very thankful and happy to report that we have had no additional cases of COVID-19 this week. As I informed you all last Sunday, we did have a staff member test positive, but no additional staff or any Residents have tested positive for COVID-19 throughout the week. We continue to screen all of our staff when they enter the Home with a series of questions and a temperature check. Also, we continue to take residents' temperatures and monitor for any signs and symptoms of the Coronavirus.

This week we have been fortunate to have our audio visual system upgraded. We are looking forward to sharing these upgraded services with the Residents next week. Hopefully they will be pleasantly surprised with the improved picture that will be broadcast during the morning show as well as their daily Mass. Thanks to all involved that made this wish a reality.

We would like to again encourage you, your families and friends to visit our Facebook page "Friends of Little Sisters of the Poor Cincinnati." We continue to post pictures and information to keep friends and families up to date during this difficult time. You can also visit our website at www.littlesistersofthepoorcincinnati.org for updates about our Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our residents safe. Thank you for your patience and support during this time. Please share this information with any friends or families who may be interested.

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
