Good Afternoon,

We are happy to report that we have had no positive COVID test results for any of our staff or Residents during this past week. We will continue our staff testing regime again next week and test all staff as part of the surveillance testing required by the Ohio Department of Health.

It's hard to believe it is already the middle of October. The leaves are changing, and the Residents and staff have been commenting and discussing the changing seasons and the beauty of nature around us. We have also been enjoying the flowers out in front of the Home, knowing they may be leaving us soon to the colder weather. We would like to thank so many of you for your generosity and assistance over the past several months, especially with the beautification of the front entrance.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our Residents and your loved ones safe. Thank you for your patience and support during this time. Please share this information with any friends or families that may be interested. Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
