Cincinnati, OH 45220-2411

Thursday, November 19, 2020

Good Evening,

I wanted to give you all an update about our Home. As you are all aware, we do our routine testing every Wednesday. We have been testing all the staff and all the Residents on Wednesdays for a few weeks now.

Today we received the Resident results and had our first positive Resident. The Resident is doing well and has been moved to our "NEST" to be further monitored for the next 14 days. We also had one employee test positive but did not have any significant or close contact with others. This employee has been removed from the schedule and asked to self-quarantine at home for the next 14 days.

We will continue to monitor all residents and staff and will be conducting rapid COVID tests on all the residents and staff again tomorrow. With the positivity rate in Hamilton County rising to 11%, we are now required to test twice a week per the Centers for Medicare and Medicaid Services regulations. We will continue testing again next week on Monday and Wednesday. If you have any questions, please feel free to contact me at your convenience. We will get through this!

Thanks,

Mother Marie Edward & Jenny Nijak, Administrator
