Good Evening,

I wanted to send out a quick email this evening with an update for all of you. As you are aware, we again tested all the Residents and staff this past Wednesday. We have received the results for the Residents, and they were all negative. We are still waiting on some of our employee results, but those received are also all negative. With the numbers in our area continuing to rise, we are working hard to keep everyone safe.

The Residents enjoyed a reverse trick-or-treat this week. While still maintaining our precautions, we had a number of employees dress in costume and parade door-to-door and pass out candy to the Residents for Halloween. It was enjoyed by all! The smiles were contagious throughout the Home.

As always, please feel free to contact us if you have any questions or concerns. We are continuing to be vigilant and are doing everything to keep our Residents and your loved ones safe. Thank you for your patience and support during this time. Please share this information with any friends or families who may be interested. For additional information please visit our website www.littlesistersofthepoorcincinnati.org

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
