Good Evening,

I just wanted to give you an update on our Home. We completed rapid tests again today on all Residents and staff. (Some staff were tested elsewhere due to quarantining, and we do not have all of those results yet this evening.) All Residents and staff tested negative today.

While this sounds promising, I know that there is still the possibility for people to test positive up to 14 days after exposure. We are encouraged, but realistic and will continue to test again next week. We plan on testing the Residents on Monday and the staff on Tuesday. I will keep you informed as things change.

If you have any questions please feel free to contact me at your convenience. Thanks for your support through this! We appreciate all you do for the Residents.

Thanks,

Mother Marie Edward & Jenny Nijak, Administrator
