Good Morning,

Hope all of you are doing well. Wanted to give you all another update as it seems things are changing here rather quickly.

Last night we received confirmation that another 2 employees have tested positive. They have been removed from the schedule and asked to self-quarantine at home.

We continue to be proactive with PPE, face shields/goggles and other infection control practices. We completed another round of staff testing, the third this past week, and await the results. Residents will again be tested on Monday.

Please share this information with your friends and/or family so that they are aware. If you have any questions, please feel free to contact me at your convenience.

Thanks,

Mother Marie Edward & Jenny Nijak, Administrator
