Summer Raffle 2016

"If God is with us, it will be accomplished ... God will help us; the work is his."
St. Jeanne Jugan

Dear Friends,

The year 2016 is flying by and we continue to be blessed with your support in our endeavors to improve the care of the residents here at St. Paul's Home. Our Summer Raffle has begun and the funds raised from all our raffles are used for larger home projects we do not have in our yearly operating budget.

Resident Margaret w/ Sr. Mary Imelda in current bed.

Example of beds we need from Hill-Rom.

The Ohio Department of Health has determined based on current safety standards that the space on the bed rails is too wide and puts residents at risk for entrapment and possible strangulation. Proceeds from the Summer Raffle will be used to purchase and replace 35 of our nursing care beds and 18 companion mattresses. When our current beds were purchased, there was little evidence of patients sliding forward to an angle where the space of the bed rails would pose a life threat.

We need your help in purchasing a new model of bed that meets the safety standard and helps keep our Residents safe. We intend to purchase large, easy-to-use, easy-to-operate, beds to enhance resident safety and comfort.

Enter for a chance to win \$1,000 all while helping us keep our residents as safe as possible. Thank you for your time and support! **The drawing for this raffle will be on August 2nd.**

Gratefully in the spirit of St. Jeanne,

Sr. Francis Gabriel, l.s.p.
