

Spring Raffle 2021

"He is so good ... love God very much. All for him, do everything through love."

St. Jeanne Jugan

To our friends and family,

I think we can all agree it has been a long and difficult year! But we can't help but feel blessed that we have such loyal friends. We have felt your love during the past year through your generosity. Our Residents are blessed to have you in their lives.

Our fight with the Coronavirus is not over but we are going to move ahead with some of our projects that have been on hold. Our yearly raffles are vital to our home. All funds gathered help with costs that are above our normal yearly expenses and help us accomplish some of our "Wish List" items. This year we need you more than ever with many projects on the horizon:

- Phase 2 of the Boiler Replacement Project (instantaneous water heating system - \$400,000)
- New Medical Patient Lift w/ Integrated Scale (patient lift to help with safe lifting & care - \$9,000)
- New Medical "Nursing Sticks" (patient monitoring for vital signs - \$2,500 each)
- New Pantry Refrigerators for Dining Rooms (new refrigerators with freezers - \$6,000 each)
- New Patient Mattresses (special air release mattresses - \$600 each)
- Excess COVID Related Expenses (purchasing of extra PPE and sanitation products)

Some of these projects are necessities and others are wanted items that would help us improve the care of the Residents in our home. Either way we need your help and hope you might be able to win a little cash back! **The drawing for this raffle will be on May 31st.** You can let us know you want more tickets written out for you other than the six provided here or you can print more tickets online through our website www.littlesistersofthepoorcincinnati.org.
