St. Paul's Archbishop Leibold Home  
476 Riddle Road  
Cincinnati, OH 45220-2411

Friday, March 12, 2021

Hello all,

I am happy to report that the positivity rate for Hamilton County is continuing to decrease, and we have not had a case of Covid-19 associated with our Home since February 25<sup>th</sup>. We were happy to hear the new updates issued this week from the Governor as well, and cannot wait to make some changes to our operations here at Little Sisters.

What does this mean to all of you? It means that we are preparing to open our doors to inside visitation for family and friends. Of course, it will be a structured visit, and will have some guidelines that we must follow, but we are excited to begin opening next week. Our guidelines are attached along with the information for you to set up appointments to visit. Please be patient with us as we try to accommodate everyone. If you have been vaccinated please let us know and provide us with a copy of your vaccination card for our records. We will provide visitors with a mask to wear throughout your visit and ask that you keep it on until you exit the home. We are so happy to welcome you back and can't wait to see you all visiting with family.

We will continue to update our website as changes are made to the policies. Please check the website for information related to Covid-19.

[Important Information - Little Sisters of the Poor Cincinnati](#)

Thank you so much for your kindness and support over the past year, it has not been an easy one for many of our residents and staff. We are so glad we are finally able to see a much brighter light at the end of this tunnel we have been living in and hopeful that we will be able to continue opening to all of you in the near future.

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
