Hello friends and family,

I wanted to give you all an update on the happenings of our home in the past few weeks.

As previously discussed we are open for visitations. With that said last week we did have to pause visits due to a positive COVID result for one of our staff members. When we have any new positives — staff or Resident — we have to stop visitation in order to perform a round of testing to be sure the virus did not spread to anyone else. We were able to accomplish that round of testing quickly last week due to our staff members coming in to be tested again for the week.

Our visitations are back on track! Just a reminder that you must schedule a visit at least a day in advance with our Community Relations Coordinator:

Sarah Steffen (Available M-F 8a-4p)  
[pcincinnati@littlesistersofthepoor.org](mailto:pcincinnati@littlesistersofthepoor.org)

\*Please use email unless you need to call\*  
(513)281-8001 ext. 117

We can only allow two visitors at a time for a 30-minute visit. Please feel free to schedule a visit whenever you are able! The Residents have been overjoyed to see their loved ones again in person. I have attached the guidelines again for your reference.

In other news, our first newsletter of the year was mailed last week. You can read it on our website [www.littlesistersofthepoorcincinnati.org](http://www.littlesistersofthepoorcincinnati.org) or if you would like to be added to our mailing list please contact Sarah as well. As always we are so appreciative and thankful for your support as we continue to deal with the pandemic in our home. Thank you so much for your patience over the past year. We are blessed to have such wonderful friends and family members!

Sincerely,

Mother Marie Edward & Jenny Nijak, Administrator
