

Good Afternoon,

I am quite surprised to write this note to all of you but must inform you all that we have had an additional positive case of Covid this week in our home. We have had 1 employee test positive for Covid. We removed that staff member and other staff members from the schedule as per our requirements. We are testing all the Residents and are having all staff, vaccinated or not, come in and be tested.

We have had to cancel our visits for yesterday and today. We will be able to reopen for visitation tomorrow as long as we don't have any more positive cases. Please call or email Darla at admsscincinnati@littlesistersofthepoor.org or at the Home's number 513-281-8001 to schedule or reschedule an appointment.

We will continue to practice good infection control policies to help to stop the spread of the virus. Thankfully, most of our residents are vaccinated so their risk is low for contracting the virus.

As always, thank you for your support through this trying time. Please let me know if you have any questions or concerns.

Thanks,

Jenny Nijak, Administrator
